

Milestone 1

2026-09-27

Team 11: Sadia Chowdhury and Yijun Zhang

Project Option Selection: Scenario 3: Environment and asthma in California

Link to git repository: https://github.com/gagajun/PHW251_Group_Project.git

Meeting Planning: - Communication method: UC Berkeley email - Meeting times and frequency: Wednesday evenings (around 7PM) every other week; open to meeting weekly if necessary

Roles: - Method for tracking progress: Yijun will schedule Zoom meetings and Sadia will schedule an appointment with course facilitators for questions [planning on scheduling appointment with Will on Wednesday 10/8/26, as a check-in]

Conflict Management: - Plan to meet via Zoom, if any conflicts arise, and will seek advice from instructional team if necessary.
