

Milestone 1

2026-09-27

Team 11: Sadia Chowdhury and Yijun Zhang

1. Project Option Selection: Scenario 3: Environment and asthma in California
2. Link to git repository: https://github.com/gagajun/PHW251_Group_Project.git
3. Meeting Planning:
 - Communication method: UC Berkeley email
 - Meeting times and frequency: Wednesday evenings (around 7PM) every other week; open to meeting weekly if necessary
4. Roles:
 - Method for tracking progress: Yijun will schedule Zoom meetings and Sadia will schedule an appointment with course facilitators for questions [planning on scheduling appointment with Will on Wednesday 10/8/26, as a check-in]
5. Conflict Management:
 - Plan to meet via Zoom, if any conflicts arise, and will seek advice from instructional team if necessary.
